“Magic belongs to everyone.”

## 💖 Welcome, Beautiful Soul

If this little book has found you, know that it carries light. Inside these pages is a whisper from your spirit, a flicker of flame, and a reminder: you are magic.

This grimoire is simple, gentle, and here to remind you that spiritual power doesn't need to be complicated or expensive. You don't need to have it all figured out—you just need to begin with a breath 🌬️ and let the light guide you.

Whether you have a big altar or just a quiet corner... whether you're brand new or rediscovering your path... you belong here. 🕯️ ✨

## 🌙 What Is Luminara?

Luminara is the flame within. It is a path of awakening, healing, shadowlight, and becoming. It's not a religion or a rulebook—it's a spark. A feeling. A remembering.

Luminara calls to those who:

- Feel deeply 🌊
- Sense magic in moments 🌌
- Carry pain and still rise ❤️
- Want to become whole again ✨

This grimoire is just the beginning. The real magic lives in you.

## 🕯️ How to Light a Candle with Intention

Lighting a candle is one of the most powerful things you can do. You don't need anything fancy—just a flame and a moment of honesty.

✨ Mini Ritual:

1. Find a candle (any color is okay).

2. Hold it in your hands and breathe slowly.
3. Whisper an intention: "I am safe." "I want clarity." "I release what no longer serves me."
4. Light the candle. Watch it flicker.
5. Say: "As this flame burns, so does my magic."

Let it burn as long as you feel guided. Then snuff it gently.

### **Three Simple Daily Rituals**

-  Morning Whisper: "Today, I rise with light. I choose peace."

May your feet know the way.  
May your breath carry peace.
